

## **Firearms Law and the Second Amendment: Rights, Regulation, and Policy**

### ***FIRST EDITION***

#### **Chapter 12 - Social Science**

- (The First Edition's Chapter 1 has been removed. Its primary replacement is the new, online Chapter 15 - In Depth Explanation of Firearms and Ammunition.)

#### **Chapter 2.D.2 – England**

- The additional material from Chapter 2 will be in new, online Chapter 16 - Early Second Amendment Influences

#### **Chapter 3 - The Colonies and the Revolution**

#### **Chapter 4 - The New Constitution**

- The part on Federal and State Military Forces of Today has been made more robust to include the evolution of the forces and has been moved to Chapter 7.

#### **Chapter 5 - The Right to Arms, Militias, and Slavery in the Early Republic and Antebellum Periods**

#### **Chapter 6 - Reconstruction and Beyond**

#### **Chapter 7 - A New and Dangerous Century**

- Part 7.D on *Cases* and *Tot*, the first Circuit Court's interpretations of *Miller* have been moved to the start of Chapter 8.

### ***SECOND EDITION***

#### **Chapter 1 - Social Science**

- Updated with new data since 2012

#### **Chapter 2 - Arms Rights, Arms Duties, and Arms Control in the United Kingdom**

- Vastly expanded material on the British law and history of arms bearing.
- New Part on Arms Technology and Ownership in the United Kingdom.

#### **Chapter 3 - The Colonies and the Revolution**

- New Material on arms rights in colonial charters.
- New Part on Arms Technology, Tactics, and Culture in the Colonies.

#### **Chapter 4 - The New Constitution**

- New Part on Arms Technology at the Time of the Second Amendment.

#### **Chapter 5 - The Right to Arms, Militias, and Slavery in the Early Republic and Antebellum Periods**

- New Part on Changes in Arms Technology.

#### **Chapter 6 - The War, Reconstruction, and Beyond**

- New material to bridge the gap from the end of the Civil War to Reconstruction.
- New Part on Technological and Cultural Changes.

#### **Chapter 7 - A New and Dangerous Century**

- New Part on Changes in the Militia, and Other Federal and State Military Forces (expanded version of this material from the First Edition's Chapter 4).

Chapter 8 - Between *Miller* and *Heller*: The Second Amendment in the Modern Era

- Old Parts 8.A and 8.B on treatment of the Second Amendment in federal courts have been condensed into mostly a summary format into new Part 8.B.
- Part 8.C on the Social and Political history of the Second Amendment has been condensed. Professor Kopel's full length article, [\*The Great Gun Control War of the Twentieth Century— and its Lessons for Gun Laws Today\*](#), 39 Fordham Urb. L.J. 1527 (2012), covers and expands upon this material.
- Old Part 8.D is expanded and broken into Parts 8.C-D.
- Part 8.E on *Emerson* and *Silveira*, which were precursors to *Heller*, are removed and summarized into Notes & Questions in Chapter 10.

Chapter 9 - The Supreme Court Affirms an Individual Right to Arms

Chapter 11 - Applying the Affirmed Right to Arms

- Outdated and less relevant cases removed.

Chapter 10 - Firearms Policy and Status: Race, Gender, Age, Disability, and Sexual Orientation

Online Chapter 13 - International Law

Online Chapter 14 - Comparative Law

- New short Part on Individual and Collective Rights discussing these concepts to this point in history, and serving as background to the direct debate on this topic in upcoming chapters.
- New Part on Changes in Arms Technology

Chapter 8 - Between *Miller* and *Heller*: The Second Amendment and Gun Regulation in the Modern Era

- New Part 8.A on *Cases* and *Tot*, the first Circuit Court interpretations of *Miller*, moved here from Chapter 7.
- New Part 8.B condensing and summarizing the material in old Parts 8.A-C.
- Parts 8.C-D on Modern Federal Regulation of Firearms and Suing the Gun Industry include material from similar Part 8.D in old Chapter 8, expanded with material from Chapter 1 and other sources.

Chapter 9 - The Right to Arms in the States

- New Chapter on state cases and constitutional provisions

Chapter 10 - The Supreme Court Affirms an Individual Right to Arms

Chapter 11 - Applying the Affirmed Right to Arms

- Part on the Evolving Standard of Review added
- New and more relevant cases added.

Online Chapter 12 - Firearms Policy and Status: Race, Gender, Age, Disability, and Sexual Orientation

Online Chapter 13 - International Law

Online Chapter 14 - Comparative Law

Online Chapter 15 - In-Depth Explanation of Firearms and Ammunition

Online Chapter 15 - In-Depth Explanation of Firearms and Ammunition

Chapter 2.A-2.D.1

- (everything, save the British material that is now in the expanded Chapter 2)

Online Chapter 16 - Early Second Amendment Influences
